

# Improve your ENERGY EFFICIENCY!!

 **POLYCELL™** Reflective Insulation

Do you know  
the summer  
sun could  
heat a roof to  
temperature  
as hot as

65°?

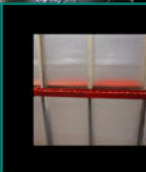

For  
a free  
measure  
and quote  
please contact:

...energy  
exploit  
for life

Health,  
Safety &  
Environment

Do you also  
know in winter

26%

of heat can  
be lost through  
the ceiling?

Insulate your Industry, Factory, Ware House, Pharmaceutical Plant, Agro-firm, Cold Storage, Office, Home etc today and keep these cooler in summer and warmer in winter by POLYCELL™ Reflective Insulation.
